Rising Together for Grief Awareness and Support

♥ Why Your Support Matters

Grief affects every aspect of a child's life — their emotional health, education, friendships, and future employment and productivity. The Kentucky Center for Grieving Children and Families is here to walk with them through the darkness and help them find light.

When you support The Morning Light Breakfast, you stand with children and families in our community as they heal. This special breakfast event is more than a gathering — it's a beacon of compassion, hope, and shared purpose.

Join us as a member in this work and shine a light on grief awareness and healing.
